EKG or (a Window)

Blake Daynes Winston

Blih...Blih...Blih..Blih...Blih
Twelve leads. Ten electrodes.
Blih...Blih...Blih..Blih...Blih
Lines. Troughs. Peaks. Waves.
Blih...Blih...Blih..Blih...Blih
Rate. Rhythm. Electricity.
Blih...Blih...Blih..Blih...Blih
Ischemia. Infarction. Block.
Blih.....Blih.....Blih
Flutter. Arrhythmia. Stop.

.....

Clear. Shock.

Analyzing Rhythm.

Rhythm?

A moment. An image.

A window.

Blih.....Blih.....Blih

Into what?

Blih.....Blih.....Blih

Life. The heart. The soul?

Blih.....Blih.....

Breaking. Mending.

Blih...Blih...Blih..Blih...Blih

Continuing.

Blake Daynes Winston is
a fourth-year medical
student and bioethicist
from Charlotte, NC.
